## OTHER BUSINESS

City of Meridian Publically Owned Treatment Works Permit No.  
MS0020117:

Mr. Harry Wilson, Chief of MDEQ's Environmental Permits Division, advised the Permit Board that Mr. Andrew Whitehurst with the Gulf Restoration Network ("GRN") and Mr. Dan Check requested a public hearing regarding a proposed modification to the City of Meridian's POTW permit. Mr. Whitehurst and Mr. Check submitted written comments during the public comment period which was June 27 through July 27, 2013. Mr. Wilson advised the Permit Board that MDEQ staff met with Mr. Whitehurst regarding his comments and subsequently Mr. Whitehurst, stating MDEQ staff had sufficiently addressed his comments, withdrew GRN's request for a public hearing. Although he was invited, Mr. Dan Check did not attend the meeting and did not withdraw his request for a public hearing. MDEQ staff recommended that the Permit Board deny Mr. Check's request for a public hearing because there was not sufficient public interest in such a hearing. Mr. Wilson advised the Board that Mr. Check would have the opportunity to address the Permit Board in November when MDEQ staff presented the City of Meridian's permit modification to the Board for its consideration and that Mr. Check would further have an opportunity to request an evidentiary hearing if he was aggrieved by the Permit Board's action regarding the proposed permit modification. Permit Board member Mr. Jim Lipe moved to deny Mr. Check's request for a public hearing and Permit Board member Mr. Jan Boyd seconded the motion. The Permit Board voted unanimously to deny Mr. Check's request for a public hearing.

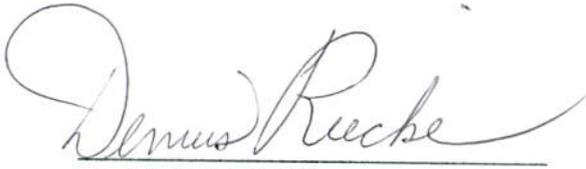

Also, Roy Furrh, informed the Board that Alliance Consulting was in the process of corporate reorganization and they anticipate being complete in December. The Board will then likely consider a presentation for a transfer of the water quality certification and storm water coverage at the December 10, 2013 meeting. The counsel for the opponents to the project will be notified. Also, Roy Furrh informed the Board that the evidentiary hearing to consider the Permit Board's issuance of a Water Quality Certification to Alliance Consulting which was previously scheduled for the Board's October 2013 meeting, would likely be rescheduled for the February 11, 2014, Permit Board meeting.

Roy Furrh, General Counsel for MDEQ, informed the Board that Ms. Gayla Crowley requested an evidentiary hearing regarding issuance of a Certificate of Coverage under the Class I Rubbish Site General Permit to MacLand Disposal Center II. Mr. Furrh informed the Board that the evidentiary hearing would likely be scheduled for the January 14, 2014, Permit Board meeting.

**MEETING ADJOURNED**

There being no further business to come before the Permit Board and on motion by David Snodgrass and seconded by Jim Lipe, the meeting stood adjourned.

DATED at Jackson, Mississippi, this the 8th day of October, 2013.

DENNIS RIECKE  
PERMIT BOARD CHAIRMAN
