

DIVISION OF LEAKING UNDERGROUND STORAGE TANK (UST) SITES

INTRODUCTION:

There are two Technical Sections in the Underground Storage Tank (UST) Branch that handle releases from UST systems. The staff are divided into the Sections as follows:

Technical Section	I		II	
Supervisor	Martha Martin	601-961-5058	Joseph Curro	601-961-5655
Project Manager	Dan Harper	601-961-5354	Charka Fair	601-961-5602
Project Manager	Rebecca Trotter	601-961-5186	Heather Pitts	601-961-5393

RELEASE REPORT:

New releases should be reported to Martha. Once the site has been entered into our database, the site will be transferred to the appropriate project manager.

DIVISION OF SITES:

The technical section divides leaking sites between project managers according to tank owners. Attached is the **Division of Tank Owners** for Leaking UST Sites. If the tank owner is not found on the list, then Martha will determine which project manager will be responsible for the tank owner.
